Barbaresco

Often noted as being the Queen of Italian wine, Barbaresco is famous for its ability to showcase the beauty and finesse of Nebbiolo by having softer tannins than Barolo with more perfume-like aromatics.

910 - Gaja, Nebbiolo, Sorì San Lorenzo Vineyard, Langhe, 2005	1.5 Liter	1603.

Montalcino

This region is south of chianti, with a warmer climate and limestone/sandy soils. Brunello, by law, must age at least five years before being released to the market. However, collectors and connoisseurs alike agree their life spans far greater than that.

The only place in California with a true mediterranean climate. With all of the dry heat, thick skinned grapes take on rich deep flavors and tannins.
